

## WoSSP 2019 16TH Workshop on Syntax, Semantics and Phonology

<https://eventos.ucm.es/27328/section/15791/16th-workshop-on-syntax-semantics-and-phonology.html>

### Call for papers

This workshop is aimed at graduate students. It will held at the Universidad Complutense de Madrid on 17-18, 2019. Abstracts are encouraged on any aspect of theoretical and applied linguistics, especially –but not exclusively– semantics, syntax, lexicology, interfaces, morphology, phonology, clinical and computational linguistics. Authors cannot hold a PhD before June 2019. The deadline is February 9, 2019 and submissions are limited to a maximum of one individual and one joint abstract, or two joint abstracts per author. Accepted papers will be notified on April. A limited number of abstracts will also be accepted for a poster session.

### Invited speakers

Antonio Fábregas Alfaro (Universidad de Tromsø)

Violeta Martínez-Paricio (Universitat de València)

Michelle Sheehan (University of Anglia Ruskin )
